

## Embedded VISION Europe 2019

### Second edition of European Embedded Vision Conference

*Embedded VISION Europe 2019*, the only conference in Europe having the focus exclusively on this disruptive technology, will show the capability of hardware and software platforms; will present applications and markets for embedded vision and will create a platform for the exchange of information.

The *Embedded VISION Europe* targets developers and users of embedded (vision) systems from all industries. The conference will be supplemented by a table-top exhibition.

### DON'T MISS THE EXCLUSIVE OPPORTUNITY TO BUILD RECOGNITION AND AWARENESS

Please select from the following package options:
